Subject –Science

Topic: Forests – Our Green Friends

“Forests keep our Earth green and clean.”

Forests are very important for us. They give us fresh air, fruits, wood, medicines, and homes for many animals. Forests help in bringing rain and keeping nature balanced. But cutting trees and pollution are harming forests.

This project will help students learn about forests and how we can protect them.

Q.1 Learn About Forests

Imagine you are a nature explorer.

Write about the following:

Q1. What are forests?

Q2. Why are forests important?

State Selection: Bihar

Q.2 Drawing / Poster Activity

Make a beautiful poster on Save Forests.

Suggested Topics: Save Trees

OR Forests are Our Friends

Q.3 Fun Science Activity

Prepare a simple chart showing:

Things we get from forests

Different forest animals

Importance of trees in daily life

Instructions:

Q.1 & Q.3: A4 size sheet OR Q.2 Poster: Chart- Paper

Use simple words and neat handwriting

Add drawings or pictures

Submit all work in a Stick File.

Subject – Social Science
